Assistant Superintendent Named in Millbury

Candidates Interviewed in Executive Session

By Edward J. Cooney

MILLBURY - The September 12 School Committee meeting was called to order at 7:30 with all members present.

Executive Session

At the end of the regular meeting, School Committee Chairman Chet Hanratty requested executive session for the purpose of screening candidates for the position of Assistant Superintendent of Schools. He said the executive session falls under exception of Chapter 39-23b of Massachusetts General Laws that deals with a preliminary screening committee reviewing and interviewing applicants for a position. The committee approved on a roll call vote.

Under the open meeting law, a preliminary screening committee is allowed to interview and question candidates outside of the public view. It also specifically states that once a screening committee makes a recommendation to the parent committee (in this case the school committee), the deliberations, discussion and interviews must be done in open session.

The screening committee for the position of the assistant superintendent consisted of the following individuals: Kelton Johnson, Elmwood principal; Frank Rogers, Shaw principal; Daniel Carmody, High School principal; Joanne Stowe, Director of Special Ed; Tom Murray, teacher and president of the MTA; Carol Fotos, teacher; Karen Canali, teacher; and parents Sue Gardner and Hilary White.

The screening committee reviewed and ranked the applications of 25 candidates, narrowing the field down to three finalists. The three finalists recommended to the School Committee were: Michael Dubrule, Richard Palermo, and Betty Phillips.

The three candidates were interviewed separately in closed session.

The following day, the Superintendent's office released the names of the three finalists. Richard Palermo was chosen by the vote of the committee to fill the newly created position of Assistant Superintendent.

Minutes

Executive minutes were approved for the August 15 meeting. The committee went into executive session at that meeting to interview candidates for the position of H. S. Athletic Director. Prior to the vote for executive session, this reporter questioned the legality of the executive session and the exception to the Open Meeting Law used by Chairman Chet Hanratty for the session.

The Open Meeting Law allows for executive session during the preliminary screening session or sessions of a screening committee. The applicants had been screened by the Superintendent prior to the meeting and three finalists for the part time position were put forth by Sylvia for the committee's consideration. Rather than conducting the interviews in open session, the committee voted to move to executive session.

The minutes show that three candidates were interviewed: Robert Sullivan, Ronald Dunham, and David Wilbur. At 10:35, the committee voted to return to open session where Sylvia recommended Wilbur for the position. The vote was 3-0-1 in favor, with Committeewoman Jane Pojani abstaining.

The minutes also show that a grievance was discussed that was not listed on the agenda, nor was it specified by the chair prior to moving to executive session.

The grievance, as stated in the minutes, dealt with a complaint received from the cafeteria and custodial department concerning the 10% salary deduction to pay HMO premiums. The committee reviewed the communications from Business Manager Sue Pierce, who indicated that the selectmen have the exclusive right to legally request employees to pay a certain percentage of health insurance premiums. On a motion by Committeeman Ed Wilczynski, the chair will notify the cafeteria and custodial union that the school committee must abide by the selectmen's decision.

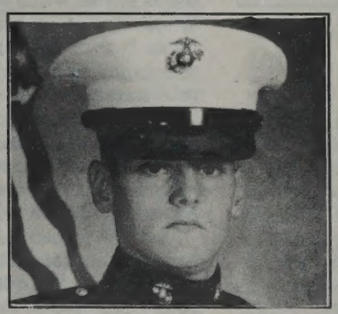
Drop a Line to...



PFC Lincoln Barton, Jr.

The Millbury-Sutton Chronicle is publishing the addresses of area men and women serving in the military in the Mid East so that anyone wishing to send a card or letter to offer their support may do so.

This week we have featured PFC Lincoln Barton Jr., the son of Millbury Police Sergeant Lincoln Barton. You can reach PFC Barton at the following address: PFC Lincoln Barton, Jr., 1/6 H&S Co., 3rd Marine Division, FPO SAN FRAN, CA 96602-9002.

If you have a relative whose address you would like published, please mail it to: Millbury-Sutton Chronicle, 117 Elm Street, Millbury, MA 01527. Photos are also welcome.

Millbury-Sutton Youth Football

The Millbury-Sutton Youth Football team pose before beginning their season action against Chicopee at the recent Jamboree in Hudson.

The Millbury-Sutton Raiders, the Commonwealth's newest member of the Massachusetts Youth Football Association, began their season last week in a jamboree at Hudson, MA. Kevin Shaw and Jeff Nadeau played well in this team's first action ever. Action continues now for the next eight weeks. They opened their season on September 16. A full report will follow in next week's newspaper.

Members of the team are as follows: Joseph Giandomenko, Jason Maestas, Brendan Keenan, Jeff Nadeau, Chris Martin, Ron Blaszczyk, Michael Carr, Charlie Coppola, Keith Corey, Mark Augustine, Kevin Remuck, Mark Remuck, Steve McMahon, Andrew Maynard, Michael Tremblay, Gregory Klocek, Ryan Clark, Joshua Suhl, Jeffrey Penterson, Chris Romasco, Anthony Coporale, Nathan Osterman, David Tefft, Steven Donovan, Nick Morin, Jesse Osterman, Kyle Smith, Matthew Mange, Matthew Carlson, Nick Bousquet, Joey Leblanc, Kevin Shaw, Michael Palin, Chris Morin, and Dan Kudla.

Objects to Proposed Tot Lot

To the Editor:

It is my opinion that the town selectmen are going to approve plans for yet another tot lot in the town of Millbury, located on town land on MacArthur Dr. The initial monies will be donated, then the town will be responsible for upkeep and repairs. In a time when monies are tight some of the residents of this area would like this proposal denied. Every house in this area has plenty of yard space; 1/2 acre or more. I have children, but any extra money the town has I would rather have it spent on the schools than on a senseless tot lot - remember, it's in an area it is totally not needed. Also, this has nothing to do with the proposed super park.

If you feel the way I do, call the selectmen's office before the next meeting, September 25. Give our children a chance.

Robert Fournier
Millbury

Inspector's Office Closed

MILLBURY - The Building Inspector's office will be closed on October 9 due to the Special Town Meeting.

Draw Down at Ramshorn

MILLBURY - The draw down of Ramshorn Pond will begin on October 1, 1990, per vote of the Board of Selectmen.

Lecture on Astronomy

MILLBURY - Steven A. Nathan, lecturer at the Seymour Planetarium, will return to the Millbury Public Library, 128 Elm Street, with another four part amateur astronomy series. This series will take place on the first four Tuesdays in October from 6:30-7:30 (rain date the following Thursdays).

Have fun learning about astronomy and doing real science in this series. You'll be involved in both indoor and outdoor activities. Nathan will present several demonstrations for each class. He will also feature NASA slides and videotapes. In almost every class, students will make some observing tool, such as a simple telescope, that they can take home. Indoor presentations will last approximately 15 minutes. The rest of the time will be spent outside observing the skies.

It is recommended that you dress warm for evening viewing. If you have binoculars and telescopes, you may bring them, but it is not necessary. What you do need to bring are enthusiasm and curiosity.

This program is open to adults and children. Children in grades three and up must be accompanied by an adult. The program fee is $5 to cover materials. Registration starts on September 20. Call 865-1181 to register.

Town Meeting and State Election Registration Dates

MILLBURY - The last day to register for the Special Town Meeting to be held on Tuesday, October 9, is Friday, September 28, 1990. The last day to register for the November 6, 1990 State Election is October 9, 1990.

Registration sessions are as follows:
September 25, Tuesday, 6-8 p.m., Town Clerk's office.
September 28, Friday, 9 a.m. to 8 p.m., Town Clerk's office.
September 29, Saturday, 9 a.m. to 5 p.m., Town Clerk's office.
October 2, Tuesday, 6-8 p.m., Town Clerk's office.
October 9, Tuesday, 9 a.m. to 10 p.m., Town Clerk's office.

In addition to the above special dates, registration may be taken 9 a.m. to 4 p.m., Monday through Friday, at the Town Clerk's office until the close of registration on October 9, 1990.

Farmers Home Administration Temporarily Closes Office

SUTTON - The Farmers Home Administration has announced the temporary closing of its county office in Sutton due to a recent fire in the building located on Rte. 146 in Sutton. While it appears none of the agency's records were severely damaged. The building has been closed since Tuesday.

FMHA borrowers who pay their mortgage payments to the county office should continue mailing them to Farmers Home Administration, P.O. Box 278, Sutton, Ma. Brief telephone messages can be left with the Holden County office at 829-6626. The agency is currently seeking temporary space to service their rural housing and farm program borrowers.

Calendar

FRIDAY, SEPTEMBER 21

SUTTON - The "Kids Country" core committee will hold a brief informational meeting and slide presentation at 7:30 p.m. in the Elementary School auditorium.

SUNDAY, SEPTEMBER 23

MILLBURY - The Millbury Baptist Church, Main Street at the Common, will present Sammy Poole In Concert at 5:00 p.m.

MILLBURY - Final "Concert on the Common" this evening, 6-8 p.m. Featuring, "The Rider".

Millbury Selectmen's Meeting Digest

Special Town Meeting October 9

By Edward J. Cooney

MILLBURY - The September 11 Selectmen's meeting was called to order by Chairman Jude Cristo.

Chase said he received a call from Janice Williams requesting the town's support for those who are in the armed forces and serving a mid-east tour of duty. Williams suggested a yellow ribbon campaign to show support for their safe return.

Cristo suggested that the board move on drafting a proclamation.

Police Business

Chase said the problem of the signalization at the intersection of Canal and Main Streets involved a defect in the computer control. He said the company making the repairs has only one control in stock and if the one being checked could not be repaired it would cost $2,000 for a new control.

Police Chief Ron Stokowski suggested that the town buy a spare for back up since that intersection could be hazardous without proper signalization.

Stokowski said Safety Officer Ron Richards will be making a recommendation to drop the guardrail at the intersection of Main and Martin Streets to eliminate the problem of driver's views being obstructed coming out of Martin Street.

The board voted to support the efforts of Stokowski in the Police Chief's Run for the Jimmy Fund, September 29-30.

Stokowski asked for a meeting with the board and the dog officer to discuss dog complaints. A meeting will be held at the beginning of the next scheduled meeting on September 25.

Transfer Station

Chase reported that the Board of Health is proposing the installation of a safety ladder at the Transfer Station at a cost of $1300.

Gate Repairs

Chase said that Buck Brothers will expend funds for the repair of the gate and dam at the pond on Riverlin Street. In response to a question from Cristo on whether Buck Bros. is ready to give up their water rights, Chase replied that they have not expressed any interest in doing that.

Telegram & Gazette

Donald Skaggs and Paul Shepard were present to submit an artist's rendering of the new plant that will house the printing operations of the Telegram & Gazette at the Latti Farm Industrial Park. Both gentlemen offered their thanks to the town for the cooperation and assistance they have received. Skaggs singled out Town Planner David Hulseberg as providing them with a great deal of help and assistance. It was also noted that plans are being considered to move the newspaper's offices to Millbury as well.

Canceling of License

Attorney Peter Keenan was present with his client Robert Gargulinski, owner of property on Rte. 146 that housed the Parting Glass Pub. The pub, which went out of business last May, was managed by James Moore. The former manager was not in attendance to present any arguments for not cancelling the liquor license. Last week's hearing on this issue was postponed to this week to accommodate Moore.

Keenan asked the board to vote to cancel the license in Moore's name to allow his client to submit an application for the unused license. He said his client has a person interested in opening up a restaurant at that location. The board concurred on a 4-0 vote.

Appointments

The board approved the appointment of June Cote to fill a vacant position on the Conservation Committee. Cristo noted that she has served on other committees and need not appear for an interview. The board voted 4-1 to appoint her. Selectman Gerry Bleau abstained as Cote is his sister.

The board interviewed Leslie Vigneau for an appointment to a vacant position on the Historical Commission. She was recommended by the Commission. The board took no action, opting to consider interviewing two other candidates who have expressed an interest in serving on town committees.

The board interviewed James O'Leary, Director of the Robert Marshall Carpenter Training School, for appointment to the Rte. 146 Study Committee. Last week the board turned down a motion by Gauthier to appoint him.

O'Leary maintained that he was promised by Town Planner David Hulseberg at a previous hearing with the state that he would be on the study committee.

Gauthier noted that the position was advertised in the newspapers. O'Leary said he doesn't read the local papers. "I have no private interest in the matter," he said. He also mentioned that the board of directors of the carpentry school suggested that he be involved since the school is one of the largest abutters of Rte. 146.

Gauthier noted that O'Leary was already an ex-officio member of the committee. O'Leary said he has sat in on that capacity at two meetings but wants to be a full member.

On a motion by Bleau and a second by Plante, the board voted 3-0 to appoint O'Leary.

Chase told the board that the owner of the building formerly housing the Town Line Club, Gary Melia, has also expressed an interest in serving on the study committee. He will be asked to come in for an interview.

Tot Lot

Mark Strom, of MacArthur Drive, met with the board to seek support to develop a parcel of land off MacArthur Drive called the Olive Perry Park that belongs to the town.

Strom said the proposal is to create a small tot lot, with swings, slides, and small hobby horses. The installation of a basketball hoop will not be considered since the lot is intended for young children. Strom said he was present to seek the board's support to start clearing out the lot.

Although the agenda item called for a representative from the Parks Commission to be present, the commission was not represented. Chase said the Commission was invited.

Several residents from the Montgomery Drive area stood up in opposition to the proposal, citing concerns with the potential for increased traffic, teenagers hanging out, an adverse effect on property values, and dangers involved in the park being located so close to the pond. It was also mentioned that it could place a burden on the town's finances with respect to maintenance. Those opposed also said they would prefer that their children play in their own yards.

SELECTMEN from Page 3

The board voted 3-0 to table the matter until a full board can address the issue.

Ramshorn

The board met with representatives of the Ramshorn Pond Association who were present to seek action to remove the boards at the spillway immediately rather than waiting until November 1st. Ed Gedman of Sutton, spokesman, said that waiting until November to lower the pond would make it too late for people to fix their walls and clean up the beach areas.

On a 4-0 vote, the board approved the removal of the boards at Ramshorn Pond on October 1.

Miscellaneous

- The committee voted not to present a proposal to purchase the Hindley property on West Main Street which is under Chapter 61A.
- In response to concerns raised at last week's meeting, the board will view the location of a recreational vehicle that is parked at 6 Bellville Lane.

Special Town Meeting

The board voted 4-0 to close the warrant for a special town meeting to be held October 9 at the High School Auditorium at 7:00 p.m. The meeting was called as a result of a petition of 222 signatures requesting a change in the $30,000 cap for pensions under the Country Retirement Pension.

Tom Hall appeared before the board requesting a vote to support an article dealing with the petition. He told the board that the petitioned article had an error dealing with the pension cap. He gave the board the proper section of the law as proposed by Worcester County Treasurer Mike Donohue. The board approved.

Besides the petitioned article, the following articles will be on the warrant:

- Overexpended accounts of a prior year totalling $28,600.51.
- Transfer of $3,000 from the Treasurer's salary, all others, to expense account.
- a Highway Department bill from a prior year, $302.60.
- Overhead doors at headquarters' and East Millbury fire stations. No figures were supplied.
- Engineering study cost for street light conversion - $15,000.
- Dog control by-law, tickets for violations of town bylaw.
- Article by the Department of Public Works Study Committee.

Correspondence

Under mail call, the board unanimously approved, with regret, the resignation of Town Planner Dave Hulseberg who will be leaving to work in public relations at Wheelabrator Technologies in the area of recycling.

The board took no action on a letter from the State Board of Advertising concerning the renewal of licensing for billboards in the town owned by Ackerley Communications.

A copy of a letter to Spiro Notidis, owner of property at 2-4 Sutton Avenue from the building inspector was read. It was noted in the letter that upon inspection of the property, the owner of the two family structure has been instructed to remove the kitchen on the third floor as it is in violation of the town's bylaws.

The meeting adjourned at 9:00 p.m.

Friends Meeting to feature "Apples by the Bushel"

MILLBURY - The Friends of the Millbury Public Library will hold its annual meeting on Thursday, September 27, at 6:30 p.m. All members are encouraged to attend. 1990-91 dues are due in September.

Directly following the meeting, members are invited to explore a variety of apple dishes, decorations, day trips and some little known facts about the world's favorite fruit. Recipes will be made available.

The Friends annual Book and Bake Sale will be held on Saturday, October 13, from 9-noon, rain or shine. Baked goods donations are welcome.

Public Auction to Benefit Church

WORCESTER - A public auction will be held at the Quinsigamond United Methodist Church, 9 Stebbins Street, on Saturday, September 29, at 11:00 a.m. Preview at 10:00 a.m. The auction will include furniture, lamps, and glassware. Refreshments will be available.

Pack 109 Meeting

MILLBURY - Cub Scout Pack 109 will hold its first meeting of the year on Wednesday, September 26, at 6:30 p.m. in the scout hall at the Millbury Federated Church. Dens will be announced at this time. Pack members will be entertained with some story telling at this meeting.

Adult Education

MILLBURY - The Millbury Adult Education Fall registration will be held on Wednesday, September 26, at the Elmwood Street School cafeteria from 7-8 p.m. Registration by mail is encouraged and can be made by sending your name, address, telephone number, the name of the course you would like to take, and a check to: Robert Sullivan, Director, Millbury Adult Education, Elmwood Street School, Elmwood Street, Millbury, MA 01527.

The fee for all courses is $25.00. Senior Citizen fee is $15. Monday courses are: women's volleyball, knitting and countered cross-stitch. Wednesday course are: co-ed volleyball, quilting and creative crafts.

"Kids Country" to hold Informational Meeting

SUTTON - The "Kids Country" core committee, whose goal is to construct a multi-faceted playground and fitness/walking trail on the Sutton School grounds, will hold a brief informational meeting and slide presentation on Friday, September 21, at 7:30 p.m. in the Elementary School auditorium.

Kids Country has raised approximately $12,000 so far. There are many fundraisers planned to help attain their goal, including a walkathon, flea market, "Pennies from heaven" drive, and participation in Waters Farm weekend. All are welcome.

Hymn Sing in Grafton

GRAFTON - The Rev. Hubert Swetham will conduct a hymn sing at the Union Congregational Church of South Grafton on Sunday, September 23, at 3 p.m. Swetham, former pastor of the church, will lead the singing, at the piano, of favorite hymns chosen by the congregation. The public is invited.

Tax Classification Set in Sutton

By Alec G. Belisle

SUTTON - The Board of Selectmen met Tuesday, September 11 with all members present.

Update

Among the items discussed by Town Administrator Dexter Blois in his update, was a memo from Police Chief Baker regarding training for Sergeants. According to Blois, Baker would like to put in an application to the National FBI Academy and the Babson Training Institute for Command Officers. Baker indicated that he would like to schedule his officers over the next few years. Blois said Baker needs the support of the Selectmen to file an application. The FBI Academy would only involve the cost of a replacement for the officer attending the session, which would be eleven weeks. The Babson Institute training would involve three weeks and would cost $700 for a commuting student an $900 for a residential student. Blois said the chief is applying for scholarships to the academies.

LaBonte expressed his support for Baker's proposal, saying, "I certainly feel that those of us who have pushed for training over the last year should certainly be in support of it."

Blois said Lieutenant John Annis has expressed interest in attending Babson Institute.

Selectman Mike Chizy made a motion to support the Chief's request for education for the lieutenant and three sergeants. The motion passed 5-0.

Tax Classification

The board continued the tax classification hearing begun September 4 with Assessor Nick Nunnemacher. Nunnemacher told the board there has been a 38% increase in the value of property since the last revaluation three years ago. The total taxable property last year was $370,939,218.00 real estate personal property. According to Nunnemacher, the new total taxable value generated by the assessor's revaluation firm and accepted by the Department of Revenue is $513,116,342.00.

Nunnemacher explained that though the tax rate goes down, "It's inevitable that it either stays the same or increases a little bit, depending on what the town is spending. All it is, is a division of the total amount of money that the town has to raise divided by the value of the town that's taxable, and that's your tax rate," he said. The Assessors have received approval for new growth in the past year for $176,392.00.

According to Nunnemacher, the tax rate will be about $9.92 per thousand.

Johnson said, "I'm going to move to keep our tax structure the same. We try to invite industry and this is one way to attract it."

The board voted 4-0-1 to approve Johnson's motion, with Chairwoman Mary K. Connor abstaining.

Colonial Acres and Orchard Estates

Blois explained that Colonial Acres and Orchard Estates are two subdivisions consisting of 194 single family houses in the Southeast corner of Sutton. He said the Planning Board approved a "cross lots" sewer connection system.

According to Blois, he was a part of the discussions with the sewer commission and "felt strongly that the town would best be served for several reasons if that sewer main went down a public road." Among the reasons he gave were: all of the houses along Hartness Road would be able to tie in to town sewers and there would be a more efficient transfer of sewerage directly to the Blackstone Street station rather than having to pump the sewerage through several pumping stations. Blois added that the town will save money in electrical and maintenance costs by simplifying the process. "I feel strongly that the town is best served by this (new) gravity line," he told the board.

Blois said that in negotiating this plan, he discussed with the sewer commissioners forgiving the sewer privilege fee of $2,500 per unit or approximately $485,000.

The developer told the board that putting the system that Blois suggested would cost them an additional amount. They plan to estimate the new cost of installation and ask the commissioners to waive the fee up to the cost of this work that has to be done for the town.

In addition to the installation of the sewer lines, the developer has agreed to widen the existing roads to 22 feet and to resurface the roads.

Where grinder pumps will be needed to carry the sewerage from homes lower than the lines, the developer will provide the homes with grinder pumps which will have generators to allow them to pump in the case of power failures.

Connor asked the Sewer Commissioners if they were satisfied with the proposal. Through Commissioner Marty Linder, they said they were all in agreement.

The only objection to the plan came from Town Engineer Richard Wharton: "I'm adamantly opposed to the grinder pumps," he said. "I just want to go on record with that." Wharton said there are plans for seven grinder pumps in the subdivision and one, possibly two along Hartness Road.

The selectmen voted unanimously to waive the sewer privilege fee as agreed.

Old Business

The board took its second vote on the appointments of Bill Gribauskas for the Earth Removal Board and Jim Crosby as temporary member of the Board of Health.

To a suggestion by Chizy, he and Connor were appointed to propose language which will change the need for two votes on committee appointments.

EQUAL HOUSING LENDER

FDIC

A little neighborly help.

When you need help, a good neighbor will find a way to lend a hand. (In this case, a horse.)

And helping neighbors is what we do for a living.

The one goal of our independent community bank is to support our local communities, residents and businesses.

Your deposits are put to work right here where we all live and work. They're invested in loans to help the local economy and to create local jobs.

No distant office can order us to ignore the needs of our neighbors and to invest your savings somewhere else.

Nobody can tell us not to lend you a hand — and that makes us easy to remember when you choose a bank. . .

We're the neighborly one with the horse.

From My Window on Farnsworth Court

By "Pastor Rae" Cameron

It has been written that "Satan is alive and well on planet Earth." It is another of those cases where you have a great title, but the book isn't all that great. In my own theistic outlook, I also see that there is a God who overrules in the affairs of men.

Right now we have a situation where former enemies are becoming allies over the circumstances in Iraq. This may change by the time you read this, as things are happening so fast these days. But as I write, the USA and the USSR are coming together. Jordan and Syria are even lining up with the USA. On the other side, Iran and Iraq, who have been involved in a long war with each other, are now coming together.

It is an old, old story where those who oppose each other are brought together over a common cause or enemy,. During the trial of our Lord Jesus, we read, "that day Herod and Pilate-enemies before - became fast friends."

On the local scene, I am writing just before the Primary Elections. There has been a lot of mud-slinging in the primaries, and I don't look forward to what is going to happen before the election in November. When the election is over, we call upon all politicians to realize they have a common enemy in the fiscal crises of our state and nation. Come together and work together for a solution to these problems.

I must call for a call for Christianity to come together as well for the salvation of precious souls for whom our Lord Jesus Christ died. Like the saying of old Patrick Henry, "We'll either all hang together or we'll all hang separately."

Assumption Parish Mission

MILLBURY - Assumption Parish, Waters Street, invites the public to attend a five day spiritual renewal entitled, "Essentials of Faith," with the Rev. Angelus Shaughnessy, O.F.M. Cap.

The Mission will take place Sunday, September 30, through Thursday, October 4. Evening services will begin at 7:00 p.m. and morning services at 9:00 a.m. Each will last approximately one hour and will be followed by confessions/ counselling. Refreshments will be served in the parish hall after each evening service.

SUTTON SENIOR NEWS

Police Chief Meets with School Committee

By Edward J. Cooney

SUTTON - Chairwoman Elizabeth Bacon called the September 10 School Committee meeting to order with all members present.

Citizens Speak

During the "Citizens Speak" portion of the agenda, a parent in the audience reported a concern relating to grade 7 curriculum. She said that extra credit work assignments have already been prepared and opportunities for taking different types of tests also have been presented to students, such as open book tests. The question posed was, is this a common practice? The unidentified parent also noted that in the area of math, students are allowed to go back over and do the same type of problems until they get them right if they get under an 80 for a mark on a math test. "I wonder if this is acceptable," she asked. "It's just not one teacher; it seems to be a trend."

Bacon asked if the issue has been addressed by Principal Ed Grant.

The parent replied that she was just made aware of the issue this evening at the dinner table.

Bacon said she appreciated the woman's concern and suggested she speak with the teacher first and, if still not satisfied, with the administrator of the building. Bacon said a request to be put on the school committee's agenda could be made following those steps.

Police/School Cooperation

Bacon introduced Police Chief William Baker who was present to address ways his department might work with the school committee to benefit the students.

Baker asked the committee to look at a proposed juvenile policy and a school search policy. "I understand the role of the committee as being the policy makers and the Superintendent as being the chief administrator of the school system," he said, "and I am looking forward to being of help to the school system in any way I can."

Baker suggested that one area his department could look at with the schools could be in the use of trained police officers at the Middle School level where children could be educated on the dangers of drugs and alcohol. He also offered to participate in the curriculum if the committee and administration agree, such as using several police officers in a teaching role in understanding the criminal justice system and how it operates and relates to society. He suggested this take place at the Middle School level in a social studies context. Baker said this would hopefully foster a close relationship between children and the police.

Committeeman Glenn Anderson asked about the amount of time the program would involve. Baker said it would require about 30-40 minutes once a week during the course of a school year which would allow rotation of police offices for each segment of the program.

Committeewoman Linda Roach asked how such a program would get started.

Superintendent Gordon Spence replied that it would begin by the committee showing interest in pursuing any of the proposals Baker had put forth. "If you so indicate, we will sit down and meet with the Chief and work the details out," he said.

Appointments

Under appointments, Spence recommended the appointment of Mark Smith as Band Director at a stipend of $500.He also recommended that Secretary Helen Dagamajian's hourly rate be increased from $8 to $9 as she will assume the bookkeeping duties of the cafeteria. David Muradian was appointed Student Council Advisor at a stipend of $600.Special Ed tutors and bus monitors were also recommended.

Spence said he received a notice from Eileen Lombardi concerning the employment of a school adjustment counselor and a school nurse under a comprehensive health education and human services grant which has been approved for a total of $25,298. The counselor would be employed in Sutton two days per week at a salary of $10,500 and a school nurse for three days per week at a salary of $7,420. Lombardi asked that the two people begin working in those positions before the actual grant monies arrive.

Spence recommended approval of all positions with the exception of the adjustment counselor and school nurse until the money is in hand or it is in writing that the grant has been approved and funded. He said that Lombardi has received verbal approval only at this time. The committee unanimously approved the recommendation.

Television Program

Spence said he is looking into a program being marketed by a Texas Company called Ti-In, which involves the use of television and videos in education. He explained that the program would involve the installation of a satellite antenna dish. If approved by the building inspector, the dish may be installed this week.

Spence said the number of programs available, many at no charge, is "fantastic." It will cost $3500 to subscribe to this service. He also said programs will be available for advanced placement courses and SAT preparation. According to Spence, it may even be possible to obtain an MBA degree from Colorado State University through the program. Programs for teachers would also be available, many of which could be video taped and made available for in-service training for teachers which could help toward credits for increments.

"When we get the program in through our own network from the library, we will be able to get it out to any classroom that has a TV outlet," Spence said. There will be an opportunity for the school committee and the public to see a demonstration of the program.

Budget

Spence updated the committee on the state of the FY '91 budget the school system is presently working under. He said no other budget will be forthcoming as adjustments have been made through discussions with the committee. The budget stands at $4.4 million.

SUTTON from Page 7

Roach asked which positions were not filled in the present budget.

"We have all the positions filled that were in the budget," Spence replied. He noted that some things discussed were not included such as a part time music teacher, staff development and curriculum or special ed. teacher. "Music you haven't addressed," Spence said.

Roach replied, "That's my point. Is there some way to address that."

Spence replied that there is. "If all projections are correct, you'll have $20,000 tuition revenues to bank on. If you deplete that money, you can't have that kind of tuition money next year. I see you using $64,000 of tuition money now to balance this budget. I see you having $55,000 in tuition money next year and if you spend $20,000 now you'll only have $35,000 next year. If you spend $20,000 on top of the $64,000, that gives you $84,000. If you have $35,000 next year on top of the $85,000 used this year, you will need to raise an additional $50,000."

He noted that next year's budget would be built on the $4.4 million of this year plus $215,000 in salaries and increments. That will mean going to the town for a $215,000 appropriation, plus the $17,000 for transportation, an increase of 7.2%. "If we lose EEO money, $123,000, then you're up to a 10.2% increase," Spence said.

"Everyone agreed that we will need a custodian for outside maintenance," Spence continued. He said he took the $18,000 budgeted out since no maintenance would be required now, and that $18,000 was reduced to $3,000 to be used in the spring. This would mean adding $15,000 to next year's budget. He also said in non salary accounts he put in a 5% inflation cost. "Don't think I don't want a music person, I do want one," he said. "But you don't want to be in a position where you will have to drop them. I know you're in desperate need for a person for chorus. I will advertise, if you wish, for a part time person."

The committee agreed to advertise the position .

School Opening Date

Roach told the committee that she had received complaints from parents concerning the opening of school in August rather than after Labor Day.

Spence said he personally was neutral on the issue and said he had not received any calls.

Anderson said the students would be more ready to study at the present opening time than a week later in June.

JV and Varsity Sports

Roach asked that the Athletic Director be asked to come before the committee to discuss junior high students playing at the JV and varsity levels.

Smith said that if a senior and junior high school are under one administration, the junior high students are allowed to participate in JV and varsity sports.

Roach said she was concerned that a junior high student may be taking the place of a senior high student on a team.

Transportation

Roach then asked about a policy regarding transportation as she received a complaint that students are being let off at places other than their bus stops and in some instances are being brought back to school.

Spence said there was no specific written policy as situations vary. He pointed out that in some instances children are brought back to school if parents are not at the point of drop off as they normally are. He told Roach that in reference to the situation she referred to, the parent has completed a written statement of facts for review which should be the case for all complaints dealing with transportation. He also said that kindergarten pupils are picked up as close to home as possible.

Honor Society Commended

A communication was received by Principal Ed Grant from the MSSAA National Honor Society. The letter announced that the Sutton High National Honor Society was chosen as one of seven chapters for distinction and commendation as one of the outstanding chapters in the Commonwealth in recognition of several projects in which the local chapter was involved.

The meeting adjourned at 9:00 p.m.

On The Shelf

By Rosemary Waltos

The Millbury Public Library has over 43 different types of materials. Some of the less obvious ones include:

LARGE PRINT COLLECTION - this is a collection of over 300 large print books in both paperback and hardcover.

CLASSICS - To fill the assignment needs of students, we stock multiple copies of reading lists materials.

GENERAL LAWS - The library has the multi-volume set of Massachusetts General Laws. The set is indexed and updated each year.

DIRECTORIES - We provide a wide range of directories from the complete set of Massachusetts phone directories to business directories to crisscross and social service directories to help you locate the phone numbers and addresses you need.

COMIC BOOKS AND TEEN MAGAZINES from classics to comic books. To hook the reluctant reader or just for fun, we have a collection of comic books and teen magazines also located in the young adult area.

COMPUTERS AND SOFTWARE - Apple computers and software found their home at the library as far back as 1986. We have an Apple IIE computer for children to use and an adult IIGS for you young adults and adults. We also have a variety of software programs that can be used in the library. At various times during the year we offer children's and adult computer courses as well.

MAGAZINES AND NEWSPAPERS - the library has a collection of 60 magazines and several local and national newspapers. We keep back issues of one year's worth of popular magazines such as *Better Homes and Gardens* and *Cosmopolitan*, magazines that are of use to students for assignment purposes we keep longer. We also keep six months of the *Worcester Telegram and Gazette* and one moth of our other dailies. Starting in 1987, we have all the back issues of the *Millbury-Sutton Chronicle* and the *Millbury Journal*.

BOARD BOOKS - We have books for people of all ages, even those folks who are two feet tall and are just crawling. These books are the heavy duty board books and you'll find them in the doll cradle in the children's room.

BOOKS ON CASSETTE - We have books on cassette for both children and adults. WE have some books on cassette with the accompanying book for read-along purposes. The read-along sets are great for kids and for adults that are learning English as a second language.

ADULT BASIC EDUCATION MATERIALS - If you're a reading tutor, a student of English as a second language, or an English speaking adult who needs materials in the basic skills area, we have a collection of materials designed to help adults build basic skills such as reading, writing and math. You'll find this collection in the 300 section of the adult nonfiction collection.

MUSEUM PASSES - Borrow one of our passes for the New England Science Center of the Worcester Art Museum for change of pace. The New England Science Center pass, funded by the Millbury Woman's Club, will admit six people into the Science Center. The Worcester Art Museum, funded by the ARts Lottery, is good for two. Children are allowed into both for free. Reserve ahead of time for either pass by calling 865-1181.

HOW-TO VIDEOTAPES AND DOCUMENTARIES - We have a small but growing collection of instructional videotapes. Learn how to refinish furniture, run a computer, or fix a leaky faucet, and more. You'll find many of your favorite Channel 3, PBS programs like the STORY OF ENGLISH and the NOVA series here at the library.

PARENTS' SHELF - Parents visiting the children's room with their children will find a special collection of books that deal with various issues relating to parenting.

VCR AND 16MM PROJECTOR - Millbury groups and organizations are welcome to use our VCR or 16MM film projector.

CAMERAS AND AUDIO CASSETTE MACHINES - Individuals can check out our Polaroid Land Camera (it takes pictures instantly) or our audio cassette machines.

LIBRARY HOURS: Tues-Thurs, 10-8; Fri., 10-6; Saturday, 10-1. Telephone 865-1181

Sammy Poole in Concert

MILLBURY - The Millbury Baptist Church, Main Street at the Common, will present Sammy Poole In Concert on Sunday, September 23, at 5:00 p.m. Poole has been proclaiming the Gospel in music since making his "debut" at the age of 4 on his father's radio program, "The Gospel Messenger," in Augusta, Georgia where he was born.

A free will offering will be taken. Refreshments will be served after the concert.

On October 20 at 4:30 p.m., the church will host Sacred Sounds, an inter-denominational Christian Choral group from the Brockton area. The concert will feature a variety of vocal and instrumental music.

Haunted House in Millbury

MILLBURY - The Millbury Youth Commission and the Youth activities Group at the Millbury Youth Center will open the Millbury Youth Center to the community as a "haunted house" on Wednesday, October 31, from 5-9 p.m. The Halloween fun will begin with a party/dance for teens on Friday evening, October 26. Parents are welcome.

The idea to use the Center for a haunted house was developed to offer an alternative to trick or treating for children of Millbury and surrounding communities.

The Center will be turned into a haunted house between Sunday, October 28 and Wednesday, October 31. A letter is being sent to community groups and businesses describing the event, asking for support and listing items needed. Anyone wishing to participate or make a contribution can contact the Youth Center at 865-9454 on Friday or Saturday evenings. There will be no admission fee.

According to Penny Downs, director of the youth center, "Scary stories, costumes, makeup and zombies are often the topic of discussion at the Youth Center these days. We will keep you in suspense about the particulars," she said. "We will simply say that those daring souls who enter our haunted house will be led on a chilling yet safe adventure by strange ghoulish tour guides and, if they survive our tricks...they'll get a treat."

SCHOOL from Pag1

Class Sizes

The first item on the agenda concerned an update on class sizes as requested by the committee back in July. The item was delayed and tabled. According to Sylvia, Assistant Principal Charles Caparelli was to have been present to address the issue but a problem arose with the computers which resulted in a loss of information.

Sylvia also said that students are still being put into classes and there appears to be only one or two classes that may be in difficulty with respect to the cutoff number for dropping a class.

Lions Club Request

William Kane was present to seek approval for the use of the high school field for part of next year's 4th of July festivities. On a motion by Wilczynski, the committee moved to permit the Club the use of the high school field or any other school field.

Kane noted that the Lions Club has received a letter from the committee seeking financial support for the Windle Field budget. Kane said the Club may donate money or could possibly fund one capital improvement project at Windle field such as connecting the septic system to the town's sewer system.

Sue Pierce suggested that the Windle Field Advisory Committee have input as well to see which project should have priority.

Informational Items

- Under Informational Items, Sylvia said the budget is now firm and no further cuts are anticipated.
- Enrollment is up by 25 to 30 students, with a total enrollment for the entire school system at 1525. Sylvia said that the kindergarten and grade 1 enrollments were a little higher than anticipated.
- The committee voted 5-0 to include members of Local AFL/CIO in the school system with members of the clerical and highway staff in regard to a grievance headed for arbitration.
- Sylvia said the fall intramural program recently approved by the school committee for grades 7 and 8 will involve some costs for transportation.

The committee unanimously approved upgrading the telephone system with a Centrex system to be combined with a system at the town hall. According to Sue Pierce, this will amount to substantial savings.

Resignations

Under resignations and leaves, the committee approved with deep regret the official resignation of Dr. David Troughton, who has served the school system for the past three years as curriculum coordinator. He has accepted a position of Assistant Superintendent in Chelmsford.

The committee unanimously accepted the resignation of Dave Wilbur as girls varsity soccer coach with regret.

Also accepted with regret was the resignation of William Collins, Computer Writing Lab aide at the High School, who is taking a position in Washington, DC.

Resignations were also accepted from Kindergarten Aide Patricia Girard; assistant driver Robert O'Leary, who is retiring; and Anne Rizotti, cafeteria helper.

Appointments

Under appointments, the following were approved:

- High School Spanish on a .55 contract, Ann Cash.
- High School English on a .5 contract, Karen Raffe
- School Volunteer Coordinator, Linda Tift
- Three teacher aides in special education
- Girls varsity soccer coach, Elaine Bush
- Girls JV soccer coach, Jodi Bush

Absentees

Committeeman Alan Marble requested a check on whether a policy of calling homes when students are absent is to be in effect. Sylvia said he would review that with Elmwood Principal Kelton Johnson.

Marble also asked Sylvia to review bus safety rules with the principals at the elementary level.

Miscellaneous

Committeeman Bruce Pease raised a question concerning a problem in band scheduling for grades 7 and 8. He said it was suggested that the students come back one night from 7-9 p.m. He said coming back at night might be stretching it for kids as well as parents and asked why practice couldn't be scheduled after school.

Sylvia said he didn't know Mr. Nagy's schedule but would inquire and discuss the matter with him.

Wilczynski expressed concern with the possibility of oil price increases and suggested that conservation measures should be put in place such as turning thermostats down.

Wilczynski also said he has received complaints from parents concerning the placement of math at the end of the school day. He was referring to the 5th and 6th grade math schedule and suggested mornings as being more appropriate. Sylvia said he will look into the scheduling.

Sutton Youth Baseball League

On September 8, the Sutton Youth Baseball league held its annual awards cookout. Trophies were presented to all the participants, as well as the All-Stars and League Champion Yankees, coached by the Stockhaus tandem of Hope and Rick Stockhaus. All who attended enjoyed the games, hot dogs, hamburgers, salads, desserts, and drinks, all masterfully prepared by the volunteer staff of the SYBL.

Submitted by Mike Morin

Kollios-Tuttle Debate in Oxford

OXFORD - Incumbent Representative Paul Kollios (D-Millbury) and his challenger in the November election, Independent candidate Alan Tuttle, will meet for their second scheduled debate on Wednesday, September 26, at 7:00 p.m. at the Knights of Columbus Hall, Main Street, No. Oxford.The debate is sponsored by the Oxford Business Association. The public is invited.
